The minimum capital investment is RM50 million for hypermarkets, RM25 million for superstores, RM20 million for department stores, and RM1 million for specialty stores and convenience stores, subject to review every three years.

No less than 30 per cent of the equity in hypermarkets, superstores and convenience stores is to be held by Bumiputera.

Hypermarkets, superstores, convenience stores and departmental stores shall seek to allocate 30 per cent of the Stock Keeping Units displayed on the shelf space for Bumiputera SME goods and products in each outlet within three years.

One hypermarket will be allowed for every 250,000 residents and one superstore for every 200,000 residents.

All hypermarkets, superstores and departmental stores shall begin operation within two years from the date of approval from MDTCC.

A specialty store may be allowed to operate if it fulfils the

following objectives:

- (a) there is an absence of local players in the proposed format;
- (b) it creates employment opportunities;
- (c) transfer of technology and skills; and
- (d) the business has a unique or exclusive nature.

Foreigners are not allowed to apply for a franchise broker or consultant licence.

The sale of a franchise is deemed to be in Malaysia where an offer to sell or buy a franchise:

- (a) is made in Malaysia and accepted within or outside Malaysia;
- (b) is made outside Malaysia and accepted within Malaysia; and
- (c) the franchised business is or will be operating in Malaysia.

There are three types of franchises as follows:

Type of Franchises	Definition
Franchisor	A person who grants a franchise to a franchisee and includes a master franchisee and his relationship with a sub-franchisee.
Master Franchisee	A person who has been granted the rights by a franchisor to sub-franchise to another person, at his own expense, the franchise of the franchisor.
Franchisee of Foreign Franchisor	A person who has been granted the rights by a foreign franchisor but does not sub-franchise to another person.

For convenience stores, only a foreign company that is not associated with the franchisor (according to *Franchise Act 1998* [Act 590]) may invest or own not more than 30 per cent equity

interest.

For greater certainty, “only a foreign company that is not associated with the franchisor” means only a foreign company that is not the franchisor according to *Franchise Act 1998* [Act 590].

Measures: *Petroleum Development Act 1974* [Act 144]
Other Implementing Measures

Description: Investment and Cross-Border Trade in Services

The Prime Minister of Malaysia may make non-conforming regulations for the purposes of carrying into effect the provisions of the *Petroleum Development Act of 1974* [Act 144] with respect to the upstream oil and gas sector¹, and may in particular, provide for the conduct of or the carrying on of:

- (a) any business or service relating to the exploration, exploitation, winning or obtaining of petroleum; and
- (b) any business involving the manufacture and supply of equipment used in the petroleum industry,

except:

- (c) regulations that impose non-conforming requirements shall not be adopted or maintained with respect to the supply of the following 12 goods or services²:

¹ For greater certainty, the Prime Minister may make non-conforming regulations pursuant to the *Petroleum Development Act of 1974* that are more non-conforming than existing regulations made pursuant to the Act. This entry does not require the Prime Minister to maintain existing regulations.

² For greater certainty, in the event Malaysia decides to offer a contract to an investor or service supplier of another Party for the supply of above-listed goods or services together with other goods or services, the investor or service supplier of the other Party may hold the prime contract, subject to meeting the PETRONAS' List of Licensed Registered Companies requirements with respect to the supply of the other goods or services.

- (i) Seismic Data Acquisition;
 - (ii) Directional Drilling services, Gyro While Drilling services, Measurement While Drilling services, and Logging While Drilling services;
 - (iii) Cementing Related Services;
 - (iv) Gas Turbines and related maintenance and repair services;
 - (v) Control Valves services;
 - (vi) Oil Country Tubular Goods;
 - (vii) Induction motor services;
 - (viii) Distributed Control Systems (DCS) services;
 - (ix) Transformer services;
 - (x) Structural steel;
 - (xi) Linepipes; and
 - (xii) Process pipes;
- (d) regulations shall not be adopted or maintained that impose restrictions on mode of entry for foreign entities that wish to participate in Malaysia's upstream oil and gas sector activities of exploring, exploiting, winning and obtaining petroleum that are more non-conforming than the following requirements:
- (i) a requirement to have a local establishment;
 - (ii) a requirement to partner with a subsidiary of Petroliaam Nasional Berhad (PETRONAS);
 - (iii) a requirement, during the exploration stage, that the PETRONAS subsidiary's

participating interest as a Petroleum Arrangement Contractor is ‘carried’ at maximum of its participating interest³; and

- (iv) a requirement that the Petroleum Arrangement Contractors may only procure goods and services from PETRONAS’ List of Licensed Registered Companies (LLRC);
- (e) regulations shall not be adopted or maintained that impose restrictions on mode of entry for foreign entities that seek to supply goods and services to Malaysia’s upstream oil and gas sector that are more non-conforming than the following requirements:
 - (i) a requirement to be licensed on the PETRONAS’ LLRC; and
 - (ii) a requirement to appoint a local as an exclusive agent, or to establish in Malaysia and form a joint venture with a local company or individual;
- (f) regulations with respect to local participation requirements for equity, board of directors and senior management positions for foreign entities licensed on the PETRONAS’ LLRC that seek to supply goods and services shall not be adopted or maintained that are more non-conforming than the requirements for relevant work categories listed in the existing Standardised Work and Equipment Categories for products and services; and
- (g) after Malaysia negotiates and executes a contract with an operator or service supplier, non-conforming regulations shall not be applied in a manner that is inconsistent with the terms and conditions of the contract.

³ During the exploration period, all exploration and other costs are borne by the Petroleum Arrangement Contractors other than the PETRONAS subsidiary. Consequently, upon the expiry of the carried interest period, the PETRONAS subsidiary will bear the costs of future operations in proportion to its participating interest in the production-sharing contract.
